

# 5 Dog Farm Raised Planters

## Shopping List:

- (4) 1" w x 6" l x 6" h Cedar Planks: cut off dog ears = long piece (keep two full size & cut two in half for side edges) = end piece
- (1) 2" x 2" Furring Strip: cut four 12" pieces

## General Instructions:

Screw or nail one long piece to bottom of one cut 2x2 furring strip. Be sure ends are even. Repeat by placing next long piece on top of bottom long piece.

Butting ends together, screw or nail end piece in the same manner: bottom first then top. Repeat at the other end to create a box. Use 3 fasteners on each plank for strength.

Take all necessary precautions to build safely and smartly. Always predrill holes before attaching with screws. Go to [www.5Dog.Farm](http://www.5Dog.Farm), search "raised bed planter" & get this PDF!
